PARTNERSHIP FOR REACH AUTHORISATION

REACHLAW LTD & ARCHE CONSULTING

Since 2014, REACHLaw Ltd, one of the EU's foremost providers of REACH Authorisation services, and Arche Consulting, well known for its scientific expertise in chemicals risk assessment, have teamed-up in the area of REACH Authorisation.

Now we are in a great position to help you with Authorisation challenges for all SVHC substances that have been and will be included on the REACH Annex XIV, including PBT/vPvB substances and endocrine disrupting substances.

This partnership combines REACHLaw's expertise in Socio-Economic impact assessment (SEA), Alternatives analysis (AoA) and extensive experience of working with RAC and SEAC with Arche's expertise in delivering high-end risk assessment services, to help the industry to cope with today's demanding REACH Authorisation requirements.

CHALLENGES FOR THE INDUSTRY

Substances like

- PBT/vPvB
- Endocrine Disruptors
- CMRs

Complexity of preparing applications for Authorisation (AfA)

Organizing efficiently to save costs.
